CHURCH OF CHRIST.

The special services are in progress at the church each evening at 7:30. Evangelist Davidson is an eloquent speaker and a scriptural preacher. You are missing much if you are not attending these meetings. He will preach on the following subjects:

- Saturday evening, October 9— "Rebuilding the Walls."
- Sunday morning, October 10— "God's Love."
- Sunday evening, October 10— "Christ All and In All."
- Monday evening, October 11— "Woman Management."

You will be benefited in hearing this man of God and attending his worship at all services. The bible school and Christian Endeavor prayer meetings afford a place for study and training. The month of October affords this community an opportunity to hear one of the greatest preachers. Come to the church with a message and a welcome.
STEPHEN J. EPLER, Minister.

METHODIST CHURCH.

The Rally day attendance in the Sunday school last week was the largest since the present pastor came. Our goal is 250, there were 220.

The Men's Bible class received the banner for offering, and Mrs. Dow's class had the largest attendance, 27.

The first communion service of the new year will be held Sunday morning at the hour of morning worship. According to the rules of our church, all Christian people are invited to commune with us, regardless of whether they are members of the Methodist or some other church.

In the evening, 7:30, the subject will be, "The Sunday School." Each teacher is requested to be with his or her class in a body, and each class is expected to take some special part whatever they may decide upon. This may be a song, a chorus, a yell, or something entirely original.

It may not be too early to announce that one week from next Sunday morning, any parents desiring to have children baptized may bring them to the church. The baptismal service will be immediately before the sermon.
M. C. SMITH, Pastor.

PEARL VAUGHN HURT IN AUTO COLLISION

Pearl F. Vaughn, formerly stock salesman with the Alliance Packing company of this city, was severely injured last Friday in Kansas City, Mo., when the automobile in which he was riding collided with another car, the driver of which was arrested for careless driving. Vaughn has a number of friends in this city. The following account of the accident is taken from the Kansas City Star of October 2:

"Pearl F. Vaughn, 1737 Jefferson street, and C. W. Erickson, who gave his address as the Hotel Savoy, both oil stock salesmen, were taken to General hospital yesterday afternoon with severe injuries received with a light roadster in which they were riding east on Fifteenth street was overturned at the intersection of Bennington avenue. The roadster collided with a small touring car driven by a young man who gave his name as J. C. Worth, living at 2631 East Eleventh street.

"According to Erickson's statement at the hospital, he and Vaughn were on the way to Butler, Mo., when Worth's car came from the south on Bennington avenue at a high rate of speed and struck their roadster. Worth was taken to the Sheffield police station and booked for careless driving. He was later released on bond. The roadster belonging to Vaughn was wrecked and Worth's car was damaged."

An alienist blames the ouija board for much insanity. Why not blame insanity for the ouija board?
